Organization Information

Organization Name

The organization name utilized must match the name that the organization is registered under within the Involvement Network. No abbreviations please.

> University Hackathons

Organization Description

Please provide a brief description of your organization to be featured in the Engagement Fair organization listing. You may use your general Involvement Network description, or include details about how students can get involved, upcoming events, open applications, membership opportunities, or other relevant information.

> University Hackathons is an internationally recognized organization dedicated to hosting annual hackathons at the University of Georgia. A hackathon is a 48-hour competition that brings together students to collaboratively design and present innovative projects in an exciting and inclusive environment. University Hackathons serves as a proud member of Major League Hacking, the official student hackathon league, and is open to all students free of charge. With more than 600 student attendees each year, the event gives participants opportunities to network with employers in the tech industry, attend a wide variety of workshops, and enjoy free catered meals. From groundbreaking apps to intuitively engineered hardware projects, ideas are only limited by students' creativity. University Hackathons aims to bring together students of all skill levels while empowering the next generation of innovators, problem-solvers, and technology leaders. Want to learn more? Visit us online at www.ugahacks.com or email us at hello@ugahacks.com.

Which night of the Fall Engagement Fair would your organization prefer to attend?

Both fairs will be held in Tate Student Center from 7–10 PM. Organizations that do not indicate a preference will be assigned a night at random.

> Thursday, September 3rd 7-10pm

If your preferred night is full, how would you like us to proceed?

Engagement Fair tables are assigned on a first-come, first-served basis. If your preferred night is full, you may choose to be assigned to the other night or added to the waitlist for your preferred night. Please note that being placed on the waitlist does not guarantee a table assignment.

I would like to be assigned to the first available table, even if it is on the other night.

Organizations will be grouped on the Engagement Fair map according to organization categories. Please select your desired category below:

Technology

Chief Officer's First Name

Jacob

Chief Officer's Last Name

Harris

Chief Officer's Email

jah98589@uga.edu

Chief Officer's Phone Number
(Only used if adding an organization from the waitlist on the day of the Engagement Fair)

6787098775

Does your organization plan on fundraising and/or collecting donations at the Engagement Fair?
You must submit a fundraising request AT LEAST 7 days prior to the fair in order to be considered for approval.

No

Fundraising Information

By checking this box, I understand that, in order to fundraise and/or solicit donations during the Engagement Fairs, the fundraising/collection request form must be submitted to ELS by Friday, August 21st and requests submitted after this date may not be processed in time for the Engagement Fairs.

Yes
